RESUME OBJECTIVE

Innovative and results-driven BCA graduate with a passion for technology and a solid foundation in computer science principles. Equipped with hands-on experience in developing web applications and a keen interest in IT roles. A quick learner with a growth mindset, eager to contribute to dynamic projects and continuously enhance skills in software development and IT operations.

EDUCATION

BCA (COMPUTER APPLICATIONS)
Dr. Ram Manohar Lohia Avadh University, Ayodhya

2020-2023

Higher Secondary Education
A.R.Inter College Ballipur Mankapur, Gonda

2019-2020

Secondary Education
A.R.Inter College Ballipur Mankapur, Gonda

2018-2019

TECHNICAL SKILLS

JAVA | HTML5/CSS | MY SQL DATABASE | HIBERNATE | SPRING BOOT

BOOTSTRAP | SERVLET/JSP | THYMELEAF | GITHUB

PROJECTS

Pharmacy Management System

- Implemented a comprehensive Pharmacy Management System using Spring MVC, Hibernate, and MySQL, showcasing proficiency in full-stack development. Designed and developed CRUD (Create, Read, Update, Delete) operations for efficient management of pharmacy data.

- Designed and developed user-friendly interfaces for pharmacists and administrators, enhancing usability and productivity. Integrated MySQL database to store and manage pharmaceutical data securely and efficiently.

Coaching Website

- Led the development of a dynamic Coaching Website utilizing Java Servlets, JSP, HTML, CSS, jQuery, and Bootstrap, demonstrating expertise in web development technologies. Designed and implemented intuitive user interfaces using HTML, CSS, and Bootstrap, ensuring responsiveness across devices and browsers for an enhanced user experience.

- Integrated back-end functionalities with front-end interfaces using JSP, facilitating dynamic content generation and presentation. Utilized MySQL database to store and retrieve coaching materials, user profiles, and session information, ensuring data integrity and accessibility.

CERTIFICATION

- Data structure and Algorithm using java from Great Learning

- Java full stack Web Development Course from Anudip Foudation
